

ADP group and Chenue will establish a fine art storage at the Paris-Le Bourget's airport. The 24,800 m² 's premise will be protected from dust by airlock and overpressure, and from fire hazard by hypoxia; it will be tested and equipped and safeguarded to the highest standards. Inside perimeter will be tailor-made at the customers request, following the best practice of conservative prevention.

- Investors: Chenue (60 %) and Groupe ADP (40 %)
- Developer: GSE
- Operators: Chenue (60 %) and Groupe ADP (40 %)
- Architect: GBL Architectes
- Site coverage : 7 700 m²
- Total surface: 24 800 m² for 4 levels
 - Phase 1 : 12 200 m²
 - Phase 2 : 12 600 m²
- Beginning of construction : Summer 2018
- Expected opening (phase 1) : Summer 2019
